

GAÍÁ

DRINKS MENU

WELCOME

Welcome to Gaia. A family affair, a passion project, a love letter to our years spent exploring the beaches, backstreets and plazas of our beloved, sun-soaked Mediterranean.

James is an Italophile with an obsession for simple ingredients and good wine. Maya is a travel writer and author. Our happiest memories are of hazy afternoons, hot summer sun and simple tables laden with local delicacies to be shared among friends, family and our three children.

Together we have created Gaia; named after our daughter, it is a restaurant, an enoteca, and a tribute to the farmers, growers and artisans who we've met on our travels. A place where we combine the very best flavours of Italy and of our world. We hope you'll love eating with us.
